ACC-RSA Aviation Directorate Priorities

- MV-75 Cheyenne Acceleration
- UAS Marketplace
- Flight School Next
- Maintaining the Enduring Fleet

UAS Marketplace Strategy

Free Market Approach

- Vendors Can Onboard Capabilities 'When Ready'
- Onboarded Capabilities Provided to Soldiers for Feedback
- Wide Range of Buyers and Sellers

Soldier Focus

- Vastly Expanded Capabilities Available to the Soldier
- Scale Production With Soldier-preferred Solutions
- Increase Buying Power of Operational Units

Trusted Storefront

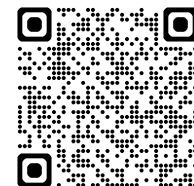

- One-stop-shop for *TRUSTED* UAS Solutions
- Streamlined, Clear Onboarding and Compliance Process
- Soldier feedback and verification inform buying and selling

- **Scale** the United States Industrial Base
- **Incentivize** Industry Innovation
- **Increase** Competition
- **Empower** Soldiers with Freedom of Choice
